

SABINE VALLEY BLUE RIBBON SHOW FEED

#431

To be used as a fitting feed for beef animals, and for use as a complement to forage for beef animals.

- Contains TCF Fiber Buster 75-150™ which is a patented mixture of enzymes and feed ingredients which aid in the digestion of carbohydrates, both fiber and starch.
- Higher fiber level to help get cattle on feed safely.
- Well fortified with vitamins and minerals for proper frame growth and health.
