INGREDIENT STATEMENT

45% Roughage Products, Processed Grain By-Products, Plant Protein Products, Molasses Products, Calcium Carbonate, Salt, Magnesium Oxide, Soybean Oil, Propionic Acid, Zinc Sulfate, Manganese Sulfate, Vitamin D₃ Supplement, Copper Sulfate, Vitamin E Supplement, Potassium Sulfate, Magnesium Sulfate, Sodium Selenite, Vitamin A Supplement, Cobalt Sulfate, Ethylenediamine Dihydriodide, Amorphous Silicon Dioxide, Dehydrated Alfalfa Meal, Yeast Culture, Modified Wheat Starch, Monocalcium Phosphate, Zinc Amino Acid Complex, Manganese Amino Acid Complex, Copper Amino Acid Complex, Cobalt Glucoheptonate, Ferrous Sulfate, Choline Chloride, Niacin, d-Calcium Pantothenate, Biotin, Thiamine Mononitrate, Riboflavin, Pyridoxine Hydrochloride, Vitamin B-12 Supplement, Folic Acid, Menadione Sodium Bisulfite Complex, L-Lysine, Dried *Saccharomyces cerevisiae* fermentation solubles, Hydrated Sodium Calcium Aluminosilicate, Natural and Artificial Flavors, *Saccharomyces cerevisiae*, Dried *Enterococcus faecium* fermentation product, Dried *Lactobacillus casei*, Dried *Lactobacillus acidophilus* fermentation product, Dried *Lactobacillus plantarum* fermentation product, Dried *Bacillus subtilis* fermentation product, Dried *Aspergillus oryzae* fermentation extract, Sulfur, Amorphous Silicon Dioxide, [Ethoxyquin, Citric Acid, Butylated Hydroxytoluene, Phosphoric Acid, Butylated Hydroxyanisole as preservatives].

FEEDING DIRECTIONS

Cattle: Feed as a complete feed to beef cattle. May be hand fed or fed free choice to cattle. Provide fresh water and a quality mineral at all times. Hay or other long stem forage is recommended at minimal levels if possible. In cases where hay or grass is not available, this feed may be fed for protracted periods as the only feed source for the animals. Feed free choice or hand feed at the rate of 1.5 to 2.0% of body weight daily (1.5 - 2.0 pounds per 100 pounds body weight per day).

Goats: Feed as a complete feed to goats. Due to the selective type of consumption inherent to goats it is necessary to feed the goats by hand to ensure that all of the feed is consumed and not just selected portions. Feed at the rate of 1.5 to 2.0% of body weight daily (1.5 - 2.0 pounds per 100 pounds body weight per day). Provide fresh water and a quality mineral at all times. Hay or other long stem forage is recommended at minimal levels if possible. In cases where hay or grass or browse is not available, this feed may be fed for protracted periods as the only feed source for the animals.

WARNING: Do not feed to sheep, contains supplemental copper. **Do not feed other grain products with this feed. This feed contains grain, minerals and forage.**

Manufactured By:

SABINE VALLEY FEEDS

3001 Bois D'Arc

Greenville, Texas 75401

Net Wt. 50 lbs. (22.6 Kg)
